## **Expert Chronicles: New GSG Program for Plant Breeding Innovation**

Next month marks an exciting new chapter in program offerings from the Global Stewardship Group. Our new Plant Breeding Innovation Management Program (PBI MP) is expected to be launched in February. It is the result of years of development work, in collaboration with GSG members and industry experts. Genome editing presents tremendous opportunities for the biotech seed

---

industry.

## Spotlight on ETS Member Resources

The ETS Self-Assessment Tool enables you to identify measures in place and potential gaps. The goal is to maintain good stewardship at all times and to prepare for audits. It thoroughly covers all aspects of the product lifecycle. It can be found on the ETS website under [Technical Resources](#) in the Member Resources section.

## Have you Submitted your Audit Plan?

Remember, at the beginning of every Audit Cycle, you must submit an Audit Plan.

The Audit Plan is a draft road map of your planned audits. It is a

---

working document that can be updated at any time by contacting the Global Stewardship Group staff.

\*\*To submit your Audit Plan, click the **Send My Audit Plan** button.

If you do not know your Audit Plan status, click the **Know My Status** button.

## Existing Content for Expert Chronicles

Expert Chronicles submissions can be in many formats besides original written articles. Existing presentations, videos, and articles that have not yet reached the full GSG member audience are perfect offerings for Expert Chronicles. Please keep this in mind as you create new content. **You might already have a finished product for submission!**
